VALLEY VIEW VINEYARDS

1000 Applegate Road Jacksonville (Ruch), OR 97530 (503) 899-8468

The original Valley View Winery was established in the mid-1800's in Jacksonville by Peter Britt – a man of many trades. Valley View soon became

one fo the largest wineries on the west coast, but stopped

production upon Britt's death in 1905.

In 1971 the Wisnovsky family moved to southern Oregon from the east coast and planted 26 acres of grapes in the beautiful Applegate Valley. We produced our first wine in 1976 and decided to honor Britt by reviving the name of Valley View.

Because the Applegate Valley is one of the warmest valleys in western Oregon, we concentrate on Cabernet Sauvignon, Merlot and Chardonnay. We have won numerous national and international awards for both our wines and our special artist labels which honor the Peter Britt Music Festival.
